

❄️ Reflecting on the Year, Celebrating Community, and
Honoring Rianna ❄️

💬 A Message from the President - Terry Glass

As we approach the end of 2025, I am so grateful for the incredible support our community has shown Rianna's Voice. November was a month of meaningful engagement and impact, reminding us how much can be accomplished when we come together to raise awareness about teen dating violence.

We had the privilege of hosting a **Parents' Workshop at Raub Middle School**, helping parents and guardians recognize red flags, foster healthy communication, and empower their teens. In addition, our team presented to students at the **Lehigh Valley Charter High School for the Arts**, engaging them in interactive discussions about healthy relationships and recognizing warning signs of abuse.

Looking back at 2025 as a whole, we are proud to have presented to **over 750 students across five different schools**. Each presentation brings new awareness, sparks important conversations, and empowers teens to make safe, healthy choices in their relationships.

Looking ahead to 2026, we are excited for upcoming events such as our **All-You-Can-Eat Breakfast Fundraiser in February**, **Bingo Night in November**, and the **Car Show in July**. These opportunities allow our community to come together, honor Rianna's legacy, and continue our important work in education and prevention.

Thank you for being a part of this journey, for spreading awareness, and for helping us keep Rianna's voice alive. Together, we are breaking the silence, ending teen dating violence, and making a difference every day. 💜

— Terry Glass, President & Founder, Rianna's Voice

November Highlights
