Supporting Awareness. Empowering Teens. Strengthening Our Community.

Rianna's Voice is a 501(c)(3) nonprofit organization committed to educating and empowering teenagers and families about the realities of teen dating violence.

Through educational presentations, community outreach, and awareness events, we work to ensure that teenagers understand the signs of unhealthy relationships, know where to turn for help, and feel empowered to speak up.

Rianna's Voice was founded in memory of **Rianna Lynn Glass**, whose life was tragically taken by teen dating violence. Our mission is to ensure that no family has to endure the same loss.

Community partners play an essential role in helping us expand our reach, strengthen prevention efforts, and bring life-saving conversations into schools and communities.

Together, we can **break the silence and create lasting change.**
