

Breaking the Silence. Ending Teen Dating Violence.

♥ February is Teen Dating Violence Awareness Month ♥

💬 A Message from the President - Terry Glass

February is Teen Dating Violence Awareness Month, and for Rianna's Voice, this month holds deep meaning. It is a time to educate, empower, and remind teens and families that they deserve relationships built on respect, safety, and trust. This month, we are continuing Rianna's legacy by creating spaces for honest conversations, providing resources, and partnering with community leaders who share our commitment to ending teen dating violence. From public awareness events to upcoming fundraisers, every step we take together helps ensure that more teens know they are not alone and that help is available.

I am incredibly grateful for the support we've received from local organizations, schools, and community partners. Your belief in our mission allows us to keep moving forward with purpose and hope.

Thank you for standing with Rianna's Voice, for lifting up our work, and for helping us protect and empower the next generation. ♥

— Terry Glass, President & Founder, Rianna's Voice

🧡 Teen Dating Violence Awareness Month

Teen Dating Violence Awareness Month is a reminder that abuse can happen at any age — and that teens deserve to know the signs of unhealthy relationships and where to turn for help.

We are excited to share that we will be returning to **Raub Middle School on February 11th** for our **fourth time presenting to their students!** We are grateful for the ongoing relationship we have built with their school community and for their commitment to educating teens about healthy relationships and dating

violence awareness.

Community Support & Gratitude

We are deeply grateful for the generosity of our community partners who help make our work possible:

- **Eric Lasko (LV Flames)** and **Rob Bruckler (LV Force)** who worked together to organize a softball tournament in honor of Rianna back in May, with the proceeds generously donated to Rianna's Voice. They had teams come from all over the area to include a team all the way from Delaware.

- **The Northampton County District Courthouse** for the donation collected from employees during dress-down days throughout 2025.

The support from organizations and government entities like these is what will continue to allow us to provide teenagers with the resources and education needed to combat teen dating violence. Every dollar given turns into conversations, presentations, tools, and hope for young people who need it most.
