

Breaking the Silence. Ending Teen Dating Violence.

✦ Reflecting on 2025. Looking Ahead to 2026. Honoring Rianna. ✦

💬 A Message from the President - Terry Glass

As we begin a new year, I want to take a moment to reflect on everything we accomplished together in 2025. Rianna's Voice continued to grow, reach new communities, and bring awareness to the realities of teen dating violence — and none of it would have been possible without your support.

Throughout 2025, we presented to **over 920 students across five different schools**, engaging teens in honest conversations about healthy relationships, recognizing red flags, and knowing when and how to seek help. We also connected with parents and guardians through workshops designed to empower families with knowledge and resources.

As we step into 2026, we are filled with hope, purpose, and determination. We look forward to expanding our programs, offering new support services, and continuing to educate and empower teens and families throughout our community.

Thank you for standing with Rianna's Voice, for believing in our mission, and for helping us carry Rianna's legacy forward into a new year. 💜
