AUGUST 2026

A Message From Our President

As we enter August, I want to take a moment to reflect on the incredible support and growth Rianna's Voice has experienced this year.

Our mission began with a promise to honor Rianna's life by creating awareness and education surrounding teen dating violence. Every conversation we start, every teen we reach, and every community member who learns about our mission helps us continue turning that promise into action.

July was a tremendous month for our organization as we hosted our **2nd Annual Ignite the Change Car Show**. Seeing our community come together—car enthusiasts, motorcycle riders, families, volunteers, sponsors, and supporters—was a powerful

reminder of what can happen when people unite behind a cause.

While the vehicles were the attraction, the mission was the reason we gathered.

We are also excited about the programs ahead, including our upcoming **Canvas Conversations event on August 5** and our next **Teen Self-Defense Workshop on September 23**. These programs represent our commitment to creating opportunities where teens can connect, build confidence, and feel supported.

Thank you to everyone who continues to stand beside Rianna's Voice. Whether you attend an event, volunteer, donate, sponsor, or simply share our message, you are helping us create change.

Together, we are breaking the silence.

Ignite the Change Car Show: A Community United for a Cause

On July 11, Rianna's Voice hosted our **2nd Annual Ignite the Change Car Show**, bringing together an amazing group of car enthusiasts, motorcycle riders, families,

vendors, volunteers, sponsors, and community supporters.

The day was filled with incredible vehicles, great conversations, and an even greater purpose.

From classic cars to modern builds, trucks, Jeeps, and motorcycles, every participant helped us spread awareness about our mission to educate teens and families about teen dating violence.

We are incredibly grateful to everyone who registered a vehicle, attended the event, volunteered their time, supported our sponsors, and shared our mission with others.

Events like this allow us to continue expanding our programs and reaching more members of our community.

Thank you for helping us **Ignite the Change.**
